ICRA (IMPULSE CAPITAL & RESEARCH ANALYSIS) PRIVATE LTD

INVESTMENT BROCHURE

ABOUT US

ICRA (Impulse Capital & Research Analysis Pvt Ltd) is a global investment firm dedicated to fostering international growth and expanding financial opportunities. With a primary focus on the American markets, ICRA specializes in a broad spectrum of investment avenues, including venture capital and financial market investing.

The company's core mission is to drive the growth of the global financial market by identifying and capitalizing on strategic investment opportunities worldwide. ICRA's expertise enables it to help clients navigate the complexities of the financial landscape, delivering innovative solutions that foster sustainable growth and success.

Through a forward-thinking approach, ICRA strives to be a leading force in the financial industry, leveraging insights and research to maximize returns for its clients while contributing to the broader economic ecosystem.

WE ARE A COMPANY SPECIALIZING IN AMERICAN MARKETS

SUBSIDIARIES OF ICRA

Alright, let's dive into how ICRA gets things rolling!

OUR TWO HANDS

IMPULSE CAPITAL

Formed in India in 2020, Impulse Capital is a consultancy firm focused on the stock market. Its core function is to recruit top-tier stock market traders and provide them with specialized training to enhance their performance in global financial markets, particularly in the U.S. exchanges (NASDAQ, NYSE). The firm operates with a highly skilled team of professionals, ensuring efficient trading in these dynamic markets.

IMPULSE GLOBAL

Based in Dubai (UAE), Impulse Global operates as a venture capital firm. It offers funding to early-stage, high-potential companies in exchange for equity, helping these companies scale and grow. The firm typically takes an active role in guiding and shaping the companies it invests in. The investment process follows a phased approach, commonly structured in "rounds," ensuring continuous support during the various stages of company development. Together, these two subsidiaries—Impulse Capital and Impulse Global—represent the operational arms of ICRA, driving its mission to expand and succeed in the global financial landscape.

HOW COMPANY WORKS?

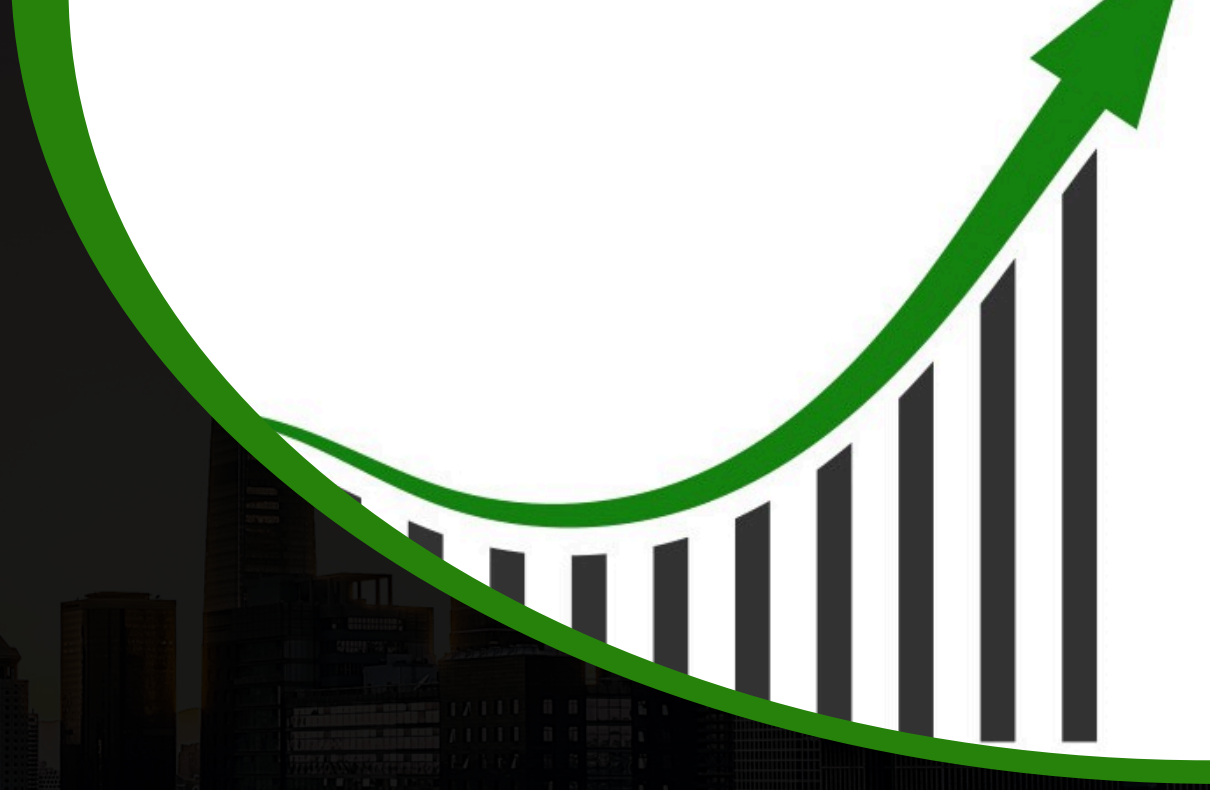
TALENT ACQUISITION AND TRAINING

ICRA doesn't just hire anyone—they pick the cream of the crop! They snag the best talent from the market and then turbocharge their skills with some top-notch training. This isn't just any old training program, though. It's specially designed to handle the twists and turns of the world stock markets. So, they're not just getting good—they're getting great, ready to tackle NASDAQ and NYSE like a boss.

REVENUE GENERATION

And here's where the magic happens—making that moolah 💸! The company makes its bank through smart and savvy stock market trading. Their trading team is like a well-oiled machine, buying low and selling high, and generating profits through keen market moves. They share the wealth through profits and commissions, keeping the energy up and the business booming. So, in a nutshell, ICRA is all about hiring smart, training smarter, and earning smartest. They're not just playing the game; they're setting the scoreboard! 🚀

FREQUENTLY ASKED QUESTIONS (FAQS)



1 **Why should I invest in your company?**

Investing is a complex process. Our company has over 15 years of expertise in this field, during which we've developed tailored strategies to suit your investment objectives. Successful investing requires thorough research and timely analysis. We provide that with our dedicated information-sourcing mechanisms, ensuring you stay ahead in this dynamic financial investment landscape.

2 **What does your investment company specialize in?**

We offer a broad range of investment services, including wealth management, portfolio diversification, financial planning, and retiremnt solutions. Our strategies are customized to help clients achieve their financial goals efficiently.

3 **Is there any guaranteed return on investment?**

No, But we provide a formal agreement with every investor, outlining all details regarding the security of funds and expected return on investment (ROI), giving you peace of mind regarding your investment.

4 **What risks are associated with investing?**

All investments involve risk, including the potential loss of principal. The level of risk varies based on the asset class (e.g., stocks vs. bonds) and market conditions. We aim to balance risk and reward based on your risk tolerance. To mitigate risk, we ensure the funds in which we invest are insured.

5 **How often will I receive updates on my investments?**

You will receive regular statements, either monthly or quarterly, depending on your account type. Additionally, you can log in to our platform anytime to track and monitor your portfolio's performance.

6 **What are the modes and cycles of payment?**

We accept payments through bank transfers (cheque and electronic payments). Our payment structure includes monthly and quarterly payouts of returns, ensuring transparency and convenience.
